5 de febrero de 2021

Buenas tardes P.S./I.S. 45K Miembros de la familia,

Como recordatorio, a partir del lunes 8 de febrero de 2021 comenzará el aprendizaje diario para los estudiantes de 3er a 5o Grado. Ahora se conocerán como Cohorte C.

**Tenga en cuenta que se espera que los estudiantes asignados al aprendizaje en persona asistan a la escuela todos los días, cinco días a la semana. Cualquier estudiante que no asista a la escuela regularmente será cambiado a instrucción remota. Además, como recordatorio, ahora requerimos pruebas obligatorias semanales en la escuela para COVID-19 para una porción seleccionada al azar del personal y los estudiantes en los grados 1 y superior. Todos los estudiantes en persona deben tener un consentimiento firmado para la carta de prueba registrada con el fin de asistir a la escuela.**

Si desea que su estudiante cambie al aprendizaje remoto, siempre puede completar la encuesta en el siguiente enlace: <https://www.nycenet.edu/surveys/learningpreference>.

Gracias por su cooperación y por favor póngase en contacto con la escuela si hay alguna pregunta. ¡Que tengas un fin de semana maravilloso!

Sinceramente,

Nadine Marshall  
Director

February 5, 2021

Good afternoon P.S./I.S. 45K Family members,

As a reminder, starting on Monday, February 8, 2021 daily learning for students in 3<sup>rd</sup> through 5<sup>th</sup> Grade classes will begin. They will now be known as Cohort C.

**Please be aware that students that are assigned to in person learning are expected to attend school daily, five days a week. Any students that are not attending school regularly will be switched to remote instruction. Also, as a reminder, we now require mandatory, weekly in-school testing for COVID-19 for a randomly selected portion of staff and students in grades 1 and higher. All in person students must have a signed consent for testing letter on file in order to attend school.**

If you would like for your student to switch to remote learning, you can always complete the survey at the following link: <https://www.nycenet.edu/surveys/learningpreference>

Thank you for your cooperation and please contact the school if there are any questions. Have a wonderful weekend!

Sincerely,

Nadine Marshall  
Principal
